NEW ORLEANS, Feb. 23—I may have been the last person to see David W. Ferrie alive.

While I talked to Ferrie, once interrogated as the "getaway pilot" for a presidential assassin, he said:

He was convinced there was no plot to kill President Kennedy and, that Lee Harvey Oswald was a "loner."

Ferrie, one of District Attorney Jim Garrison's prime witnesses in the investigation of Kennedy's assassin, also said:

He was convinced the investigation would turn out to be a "witch hunt."

"This is not a city prone to knowing what it's doing before it arrests people," he declared.
